Subject: Call regarding AlterEcho responses to EPA questions

Hi all:

As discussed earlier today, I am trying to schedule a teleconference next week to discuss AlterEcho's responses to EPA's questions on the Final Allocation Recommendations Report. Here are the times that David and I are available (all times are Eastern):

Tuesday, 2/2 – Between 9:30 AM and 2:00 PM

Wednesday 2/3 – Between Noon and 2:00 PM, and any time after 3:00 PM

Please let me know which of these time slots work for EPA and ERG. The fall-back would be the regularly scheduled update Thursday the 4th at 9:30 AM Eastern (I still need to nail down David's

availability for that, though).

Thanks!

Rob Young
